ABB ABB Series Service Manual

CI520V1

1. Description

CI520V1

3. Product Information

CI520V1

General Information

Global Commercial Alias:

CI520V1

Product ID:

EXC3BSE012869R1

ABB Type Designation:

CI520V1 Exchange

Catalog Description:

CI520V1 AF100 Communication Interface

Additional Information

Medium Description:

AF100 Interface,

Product Type:

Communication_Module

Technical Information:

CI520V1 Advant Fieldbus 100 Communication Modules Exchange

Note! The replaced part with RMA to be returned

according to T<(>&<)>C otherwise an extra charge will be required.
