Weight: 0.34 Kg

Universal AC Voltage (85 to 264 Vac

rms)

Rack Space Requirements

Power

supply

module

Two half-height slots are

located on the left side of the

rack. Each slot accommodates

one power supply. Both slots

can hold a power supply at the

same time, allowing for

redundant power supplies.

Power input

module

Special half-height module

located directly behind the

associated power supply
