

Schneider Series Service Manual

140XTS00500

1. Description

The Schneider Electric 140XTS00500 is a field power connector designed for specific Modicon components. This connector features seven pins and is compatible with various power supply modules, providing essential connections within the system.

2. Specifications

Specification	Value
Manufacturer	Schneider Electric
Product	Line Modicon
Part	Number 140XTS00500
EAN	3595860024510
Weight	0.31 lbs (0.14 kg)
Description	Field power connector
Product	Compatibility 140CPS21400, 140CPS22400, 140CPS11420, 140CPS51100, 140CPS11100, 140CPS21100, 140CPS52400, 140CPS12420, 140CPS41400, 140CPS42400
Number	of Pins 7 pins
IP	Degree of Protection IP20
Height	Approx. 0.98 in (25 mm)
Width	Approx. 3.94 in (100 mm)
Length	Approx. 5.91 in (150 mm)
Used	With Power supply modules

3. Product Information

The Schneider Electric 140XTS00500 is a field power connector designed for specific Modicon components. This connector features seven pins and is compatible with various power supply modules, providing essential connections within the system.

Number of Pins 7 pins

IP Degree of Protection IP20

Height Approx. 0.98 in (25 mm)

Width Approx. 3.94 in (100 mm)

Length Approx. 5.91 in (150 mm)

Used With Power supply modules

Description

The 140XTS00500 field power connector from Schneider Electric facilitates reliable electrical connections in Modicon systems. With a pin configuration of seven, this connector ensures compatibility with numerous power supply modules, such as the 140CPS series. Measured at a compact size of roughly 5.91 inches in length and 3.94 inches in width, this unit has a height of approximately 0.98 inches.

Weighing in at 0.15 kg (0.33 lbs), the connector is designed to be lightweight while maintaining durability. Its IP20 rating indicates that it is best suited for use in environments protected from solid objects larger than 12.5 mm, although not moisture resistant. This makes it appropriate for internal applications where exposure to harsh elements is limited. The 140XTS00500 is an essential component in ensuring efficient power distribution for compatible Schneider Electric modules, contributing to the system's overall reliability.
